EXCITING CHANGES AT THE CLUB

There's plenty happening at the Club, with some exciting changes coming into effect from Monday, September 21.

One of the biggest changes is our new opening hours. From September 21, the Club will be open seven days a week, from 11AM until late. Our restaurant and café will also be open Mondays - Sundays, giving members and guests more opportunities to enjoy the Club throughout the week.

The regular activities and events that bring our members together each week are still here.

Our popular Quiz Night continues every Tuesday from 6.30PM, while our Buffet and Carvery is available every Friday and Saturday from 5PM.

There's also plenty happening across the weekend, including the Loto draw every Friday night, Queen of Hearts every Saturday night, and section raffles every Friday and Saturday Nights, and Sunday mornings.

A Better Playing Experience

We've also been investing in our facilities to improve the playing experience for our members and guests. Our pool and snooker tables have recently been recovered, giving them a fresh new look, and we've installed new LED lights too.

Alongside these improvements, we're introducing a new pay-to-play system for our pool and snooker tables, which will also go live on Monday, September 21.

30 minutes – \$4
1 hour – \$6
2 hours – \$10

The new system gives players the flexibility to choose how long they want to play.

All these changes are part of our ongoing efforts to improve the Club and provide better facilities and services for our members and guests. We want the Club to remain a place where people can come together, enjoy good food, take part in activities, play a game, and simply have a good time.

So, if you haven't visited us lately, come and see what's new!

From Monday, September 21, we'll be here seven days a week, from 11AM until late.

Support your Club, bring your friends and family, and come see us – we'll be here 7 days a week!

Quiz Night

We only had two teams quizzing this week but what a fierce battle it was. The scores were tied in three of the eight rounds.

The Wannabes (temporarily renamed the Wanderers by a jetlagged host) prevailed in the end on 103 to William Shatner's Pants 97 points.

A Titanic battle that ended up being Gone with the Wind!
